Dear Parents/Guardians of Ss. Joachim and Anne,

Welcome to school year 2023-2024, a celebration of our school's 100th year of serving our community in a Christ-centered environment which fosters learning and technological development in an environment of love, justice and peace.

We hope your summer has given you an opportunity to rest and revitalize. Our parents and guardians are the guiding light and driving force for our children's success – academically, emotionally, physically and of course spiritually. Please do not forget to study with our child and pray each night.

The phenomenal teachers of Ss. Joachim and Anne spend hours planning and creating classroom activities to engage our students in optimal learning experiences. They analyze data to determine current skill levels and set goals for growth and improvement. Above all our faculty and staff are dedicated followers of Christ who care for the welfare and academic excellence of each student. We thank God for each and every child.

Please check our website www.ssjaschool.org and FACTS for important information, update and announcements. Feel free to contact us with any concerns. We are a family.

With God's help we will work together to make 2023-2024 a year that is unforgettable and one that embraces 100 years of outstanding excellence in the tradition of the Sisters of Notre Dame de Namur.

Blessings,

Mrs. Linda Freebes, *Principal*
