Dear Families and Friends of SsJA,

As we reflect upon this season of Lent, we think about the cross Jesus has asked us to help Him carry. So much has happened during these past days, especially in Marjory Stoneman Douglas High School in Parkland, Florida, and we are very cognizant of the fact that our children are so precious to us. We are truly blessed at Saints Joachim and Anne School to have Jesus in our midst at every moment of the day. We are able to pray and speak His name at any time, for we know He will sustain us during any trial or tribulation.

We have been fortunate to have a Security Guard, Mr. Robert, at our front door checking the floors with the use of cameras. When we enter in the morning, it is only through one entrance. In the afternoon, we are asking all that enter to check in at the front door with the Office or Mr. Robert as you escort your child home. We have a Crisis Plan in place which we continue to assess and update in order to provide optimum security.

Saints Joachim and Anne has always been a safe haven for our students. With God's intervention it will continue to be a joyous and secure time in the lives of our beloved children who attend our magnificent school.

Please continue to pray for peace in our world. Pray with our children because God hears the prayers of the children first and always.

Sincerely in Christ,

Mrs. Linda Freebes, *Principal*
