Dear Parents and Guardians,

May the Peace of Christ be with you

Over the years Ss. Joachim and Anne School has been accredited by different organizations including Middle States. Beginning next week we will begin the Cognia Accreditation. The total process encompasses about one year. The Diocese has chosen this process.

There will be surveys that our families must complete. When you receive a link to the survey, we will be extremely grateful for your input. Our parents/guardians are very cooperative and we know that you would like our school to be recognized as an accredited school using the Cognia Review.

With appreciation,
God Bless

Mrs. Freebes, *Principal*
And Faculty of SsJA
